SLIGHT CHANGE FOR THE BETTER

He May Live for Two or Three Days. A Number

Prominent People Call at the House

The Ballistic

NEW YORK, April 3.—The general who was

shot in the back by a Bolshevik in the

street in New York City, today showed

slight improvement in his condition.

He was able to sit up in bed and

eat a small amount of food.

His condition is still critical, but

there is hope that he may survive.

Several prominent people called on

him today, including the mayor and

the governor.

The general's condition is still

was no fighting to speak of, and were very slight. Officially only the four men were wounded, however, six or more were killed. The British lost 100 men, wounded 100 and 100 horses, and after a long return to the zereba, to EARTHTAKE.

—The advance of Timal was a small and thorough defeat. The British and the few remnants of shots. After burning a returned to the British. The British will return here. The British loss was killed and eleven wounded. As slight. General Graham is still at the British. The British is still at the British. The British is still at the British.

FRANCE.
PARIS, APR. 25.—President Grévy today issued a decree assuming the office of president and forming a new cabinet. The party conditions are increasing. The President attributes his failure to form a cabinet to leaders of several of the big republican unions, whose vote he needs in the Chamber.
